

“ I am a returner and could not imagine a more supportive environment. ”

- Angela

C.ex Group is pleased to have been selected to take part in the 2022 Career Revive Supported Returner Program – Women Back to Work.

The program focuses on women with existing work experience, who are returning to work after an extended period of time out of the workforce- typically two years or more.

The program will run for 3 months, welcoming two women per intake to train in a variety of hospitality roles across our business.

A key element of the program is to provide tailored support and assist women as they transition back into working life whilst working in a supported team environment.

The key goal of the WBW program is to promote confidence, strength and resilience on their journey back into the workforce.
