**THE  
brasserie  
DINNER MENU**

Our Brasserie caters for a large range of customers including families with children.

In keeping with the ambience and comfort of all members and guests and in line with the Registered Clubs Act, children are required to be in direct supervision of a parent or legal guardian at all times.

It is a requirement that children must be seated with their parents or guardian. If children are running around The Brasserie it can be disturbing to other patrons, and management may be required to intervene and instruct parents or guardians to ensure that the child or children remain seated and supervised at all times.

Alternatively, if the situation is not rectified, management may request that the member or guest leave the premises as the conduct may be deemed unbecoming of a member. Members must be aware that all guests of the member need to display the appropriate behaviour as that expected of our members so that everybody can enjoy our facilities.

The club provides colouring in packs to assist in providing a comfortable environment for everyone to enjoy.

Please assist our staff to ensure that all members and guests have a most enjoyable experience, whether dining in The Brasserie or utilising any of our other facilities. We hope you enjoy your visit to our club.

For the Board and Management,
